GRILLED CHARCOAL

Charcoal chicken refers to a specific method of cooking chicken using charcoal as the primary fuel source. It is commonly associated with rotisserie-style cooking. Charcoal chicken is prepared by skewering the chicken on a rotisserie spit and slowly cooking it over charcoal or a combination of charcoal and wood.

Dhs. 16/29
دجاج مشوي
Grilled Chicken
Kuboos, Hummus, Salad, Garlic

Grilled chicken is prepared by cooking chicken over direct heat, typically on a gas or charcoal grill. The process involves marinating or seasoning the chicken and then placing it on the preheated grill grates. As the chicken cooks, it absorbs the heat and develops a flavorful crust on the outside while retaining its juiciness on the inside.

MIX GRILL

Mix grill, also known as mixed grill, is a popular dish that typically consists of a variety of grilled meats, often served together on a single platter. It is a flavorful and satisfying option for meat lovers. While the specific selection of meats may vary based on personal preference and regional variations, here's a general description of what a mix grill platter might include:
